

Committed to clean

Welcome! We're committed to Airbnb's enhanced cleaning protocol, which was developed in partnership with experts in health and hospitality. Here's what we've done to clean and sanitize the space:

Approved products
We use cleaners and disinfectants approved by global health agencies

Thoroughly checked
Each room was cleaned using extensive cleaning checklists

Clean and tidy
We cleaned, mopped and/or dusted before sanitizing

Cleaning supplies on hand
We provide extra cleaning supplies, so you can clean as you stay

Every surface sanitized
All high-touch surfaces have been sanitized, down to the doorknob
